

JOB TITLE: Behavioral Health Therapist

SUPERVISOR: Clinical Director

STATUS: Exempt. This position is exempt from the FLSA and may flex work hours within an 80-hour, two-week pay period.

SUMMARY:

The Behavioral Health Therapist is responsible to provide diagnostic assessments, therapy, and counseling and support services for a mixed caseload including adults, adolescents, and families experiencing mental health issues, communication challenges, or family conflict. This is an opportunity to work as part of a dynamic multi-disciplinary team, providing services to a broad spectrum of clients. This position must be filled by an individual who has the ability to conduct third-party billing for services. The Mental Health Therapist will be familiar with other services and resources in the community and work closely with them to provide information and support when required.

DUTIES:

- Maintain confidentiality of records relating to clients' treatment.
- Conduct outreach and referral activities in surrounding communities, including County, schools, and human service agencies.
- Gather information about community mental health needs and resources that could be used in conjunction with therapy.
- Plan and conduct programs to prevent substance abuse or improve community health and counseling services.
- Act as a client advocate to coordinate required services or to resolve emergency problems in crisis situations.
- Evaluate clients' mental condition based on review of client information, interviews, observation, tests, and collaboration with other staff members to perform clinical assessments and develop treatment plans.
- Conduct initial family assessments and refer patients, clients, or family members to community resources or to specialists as necessary.
- Develop and implement treatment plans based on diagnostic assessment, clinical experience and knowledge.
- Guide clients in the development of skills and strategies for dealing with their problems.
- Encourage clients to express their feelings and discuss what is happening in their lives and help them to develop insight into themselves and their relationships.
- Counsel clients, individually and in group sessions, to assist them in overcoming dependencies, adjusting to life, and making changes.
- Provide individual and family counseling services using family management principles to clients.
- Modify treatment activities and approaches as needed to comply with changes in clients' status.

- Meet with families, school staff, probation officers, law enforcement, and other interested parties to exchange necessary information during the treatment process.
- Discuss with individual patients their plans for life after leaving therapy.
- Provide collateral consultation as appropriate as well as court testimony as required.
- Submit billing and other related paperwork in a timely fashion.
- Maintain all professional licensure(s) required and provide prompt cooperation with third party credentialing for billing purposes.
- Supervise other staff therapists for licensure as assigned and supervise interns as requested.
- Maintain up-to-date client and program records as required by funders and agency.
- Prepare monthly written reports on demographics, presenting issues, and outcomes, and summarizing project results, as required by funders and the agency.
- Evaluate the effectiveness of counseling programs and clients' progress in resolving identified problems and moving towards defined objectives.
- Prepare and maintain all required treatment records and reports.
- Prepare and submit written quarterly and annual reports as required by funders and agency.
- Maintain accurate records of expenditures, with receipts, for all employment-related activity.
- Conduct activities related to compliance with federal and state laws related to mandated reporting, HIPAA, and the Data Privacy Act.
- Learn about new developments in their field by reading professional literature, attending courses and seminars, and establishing and maintaining contact with other social service agencies.
- Other duties as assigned by Clinical Director or the agency President and CEO.

QUALIFICATIONS:

- Master's degree in Social Work or Psychology. Independent licensure as a LMFT, LICSW or LPCC and the ability to supervise. LPCs and LSWs are also encouraged to apply.
